September 7, 2020

Dear Parent/Guardian:

Christian greetings!

We do hope that you and your families are experiencing the best of health. We do appreciate your commitment and dedication toward Christian education. We are working assiduously to ensure that our students are safe on campus. Currently, we are experiencing some challenges. They are, but not limited to, the following:

- Backorders of essential COVID-19 materials have been delayed and some schools are expecting their deliveries this week, September 8-11, 2020.
- Some parents have not registered their children, which has affected classroom placement.
- Late registration has affected the ordering of essential e-books.
- Technical glitches.

We do solicit your co-operation as we try to resolve the current issues. Because we serve Massachusetts, Connecticut, and New York, some of our schools will officially reopen on September 14, 2020. We are looking forward to a year of commitment from teachers, parents and students as we prepare for our Savior's return.

Thanks for your immediate attention.

Yours in His service,

Viola Chapman
Superintendent of Schools
